

AMENDMENTS TO THE SPECIFICATION:

Please replace the title with the following:

Method for Making a UV-Reflecting Interference Layer System

Please amend the paragraph beginning at page 1, line 5 as follows:

The present application is a continuation of U.S. Patent Application Serial No. 10/168,491, which issued as U.S. Patent No. 6,720,081 and was filed on October 21, 2002, which ~~is in turn a continuation in part of (a) U.S. Patent Application Serial No. 09/514,437, which was filed on February 28, 2000, now abandoned, and (b) claims~~ priority of International Patent Application PCT/EP00/12878, which was filed December 15, 2000. The present application is also claiming priority of German Patent Application DE 199 62 144.6, filed December 22, 1999.

Please amend the paragraph beginning at page 11, line 23 as follows:

The coatings on both sides each consist of five individual layers and possess the structure: glass+M\*+T+M+T+S. The individual layers are applied identically on both sides in a dipping step.
